## **EAN RRFS NeuroArt Contest 2026 – Invitation to become Jury Member**

Dear Sloka Iyengar,

On behalf of the European Academy of Neurology Resident and Research Fellow Section, I am privileged to extend an invitation to you to serve as a distinguished jury member for the RRFS NeuroART Competition 2026.

The RRFS NeuroART Competition is a unique initiative that blends the realms of art and neurology, fostering engagement and creativity within our community. This competition features three exciting categories: Photography and Painting, Music, Dance, and Video, and Poetry and Short Essays. Participants are encouraged to explore and express their understanding of neuroscience through diverse artistic media. The aim is to enhance the well-being while promoting a deeper understanding of neurology through artistic expression. As a jury member, you will be responsible for reviewing the submissions and assigning scores based on connection between neurology and art, and artistic quality. Your expertise and contributions to the field of neurology make you an ideal candidate to evaluate the entries and help us recognize the most outstanding works. The winners in each category will receive travel grants to attend the EAN Congress 2026.

We would be honoured to have you join us again in this endeavour!

Please let us know if you are available to serve as a jury member for the RRFS NeuroART Competition 2026 latest until 25<sup>th</sup> of March 2026. Afterwards we will send you the pieces of art to be evaluated by 12<sup>th</sup> April 2026. Thank you for considering our invitation.

A handwritten signature in blue ink, appearing to read 'Alicia', enclosed within a light blue oval scribble.

Alicia Gonzalez Martinez  
*RRFS General Secretary,
